INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is filed on behalf of applicants to bring to the Examiner's attention certain information, set forth on the attached PTO 1449/SB/08; applicants respectfully request that the Examiner consider all items on the attached PTO 1449/SB/08 and initial and date a copy of the attached PTO 1449/SB/08 and cause the enumeration to be listed on the face of any patent which issues. Applicants British representatives have provided copies of the six references, followed by an asterisk, in the following tabulation, which in turn are also attached hereto.

Applicants British representatives have provided identification of the references cited in the application in the left hand column of the following table and have set forth the U.S. equivalents of those documents, in the right hand column of the same Table. If the EP reference was found to have a US equivalent, that US equivalent is cited; and no copy is provided. As can be seen, three of the EP references were not found to have US patent equivalent including EP 0055875 and EP0106379 and EP 235864. Thus copies of EP 0055875 and EP0106379 EP 235864 are attached hereto. In addition, the three literature references, noted below, are attached hereto.
